Introducing the DFS Anthem UX™ User Experience Platform

Drive in-store traffic and customer loyalty with a **12”** or **27”** high-definition touchscreen.

Boost Sales and Profit Margins

Digital branding allows for multiple promotions during fueling: promote and enable impulse purchases of your highest margin products.

Drive Customizable Promotional Strategies

Double your engaging promotions between video and static advertisements on one screen. Set unique playlists for every daypart.

Enhance Customer Experience

Give customers what they want the most: **choices**. From 3rd party order-at-the-pump and loyalty applications, to traffic, weather, language and screen contrast options.

Anthem UX retrofit kits are available and compatible with all recent Wayne Ovation® fuel dispenser models.

Hold onto even more cash by utilizing financing options through **Tandem Finance**. Contact your regional sales manager today to learn more.
